

Feeling **tied
down?**

Are you paying top dollar for one of those major brands because you're "bound" by a contract? With Transtar you have the right to choose the types of products you want to use for your repair. Whether you need seam sealer, chip guard, coatings or compounds, Transtar is the answer. We've got a full line of 50 State Compliant products that are compatible with the majors'. Our brand offers quality and service with a factory warranty, no strings attached.

TRANSTAR IS THE AUTOBODY SOLUTIONS COMPANY.
